evilevilcouch@gmail.com: :)
me: also about to check in on the Anons
evilevilcouch@gmail.com: i wanna look at it
me: I've shared the document with you, it's at the bottom of the Wikileaks Rally Planning doc
me: just waiting on a bio from Seb Gillen then I'll start sending it out in waves
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: hm, i'm thinking of using a different email address than the evilevilcouch one
me: right
evilevilcouch@gmail.com: hm
evilevilcouch@gmail.com: not sure which email to use
evilevilcouch@gmail.com: nikki@hip2be.com? i have another gmail acct that i never use and possibly should
evilevilcouch@gmail.com: i should have made a nikki.loehr@gmail acct when i could have
me: use gmail, will be easier to use with shared docs
evilevilcouch@gmail.com: yeah
evilevilcouch@gmail.com: i have nikkithinks@gmail.com
evilevilcouch@gmail.com: i have my pseudonym
evilevilcouch@gmail.com: i think it's kate.golez@gmail.com
me: I'm going to have press inquiries come to me instead since I'll be answering them anyway, so won't put evil couch address on release
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: hey
evilevilcouch@gmail.com: when you're done with it
evilevilcouch@gmail.com: could i format it?
me: yeah, I'm done now, go ahead
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: so what all is needed for the press release?
evilevilcouch@gmail.com: i know the first part is just personal notes for yourself
evilevilcouch@gmail.com: but is it bscly just the stuff after "For Immediate Distribution"?
evilevilcouch@gmail.com: what's the name
evilevilcouch@gmail.com: of the thing
me: not really a name yet
me: guess I should think of one
me: give me a few minutes

evilevilcouch@gmail.com: lol k
evilevilcouch@gmail.com: btw i'm having my friend brittan proofread it
evilevilcouch@gmail.com: she's my friend from the observer that was formerly the editorial assistant
evilevilcouch@gmail.com: and she basically got me involved in the film industry stuffs
evilevilcouch@gmail.com: she's finishing up her masters in film preservation at NYU rinnow, but i think she's in town at the moment...?
evilevilcouch@gmail.com: i dunno
evilevilcouch@gmail.com: she writes press releases
evilevilcouch@gmail.com: lol
me: already been proofed by Mano Singam, Robert Green, and others, but let me know if she finds anything
evilevilcouch@gmail.com: k
me: how about Rally for Information Freedom?
me: I'm not married to it
evilevilcouch@gmail.com: sure
evilevilcouch@gmail.com: i dunno
evilevilcouch@gmail.com: lol
me: I DUNNO LOL
evilevilcouch@gmail.com: hmm
evilevilcouch@gmail.com: do you think internets peoples will be all about it?
evilevilcouch@gmail.com: i feel like it could be a name that internets people will automatically be all about
me: it should be
evilevilcouch@gmail.com: ya know what i'm saying?
me: I don't think this is the best name though
evilevilcouch@gmail.com: k
me: just a sort of placeholder
evilevilcouch@gmail.com: k
me: let me go ask Anonymous
evilevilcouch@gmail.com: k
me: they said to call it Power Wrist
me: just kidding
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: hahahaha
evilevilcouch@gmail.com: i dunno why it popped in my head
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: "Rally for the Future of the Internet, Now" made me giggle
me: lol
evilevilcouch@gmail.com: btw
evilevilcouch@gmail.com: http://actionmethod.com/
me: sorry I missed the giggle

evilevilcouch@gmail.com: do you think that would help you?
evilevilcouch@gmail.com: also, this: http://www.creativesoutfitter.com/
evilevilcouch@gmail.com: i was thinking of buying some of that stuff
evilevilcouch@gmail.com: and if you think mebbe it'd be useful for you, then yeah
me: I just forwarded it to Scott and Clark for them to look into it
evilevilcouch@gmail.com: into which
me: the first one
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: hrm, i'm hungry
evilevilcouch@gmail.com: wonder wher ei should get foods
evilevilcouch@gmail.com: i need to quit biting my nails
evilevilcouch@gmail.com: http://i.imgur.com/PxaUW.jpg
me: eat some nails
me: I mean, you're biting them
me: just go for the gusto
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: hm
me: okay, sent out first wave
evilevilcouch@gmail.com: dammit
evilevilcouch@gmail.com: oh well w/e
me: what?
evilevilcouch@gmail.com: i just feel certain punctuation bits could be changed around
evilevilcouch@gmail.com: but eh, oh well it doesn't matter i guess
me: I know, but you added a mistake
evilevilcouch@gmail.com: yeah i know i messed up something
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: brittan just hadn't gotten back to me
evilevilcouch@gmail.com: on whatever
evilevilcouch@gmail.com: so oh well
me: no, I mean you put in a hyphen where it shouldn't go
me: I've got punctuation covered, trust me
evilevilcouch@gmail.com: hyphen?
me: thanks though
me: one of these
me: -
evilevilcouch@gmail.com: i didn't add a hyphen
me: in eight year old
me: oh
evilevilcouch@gmail.com: that could have been an accident
evilevilcouch@gmail.com: oh
evilevilcouch@gmail.com: yeah
evilevilcouch@gmail.com: year-old

me: oic
me: anyway, it was ready to go, we've all gone over it
evilevilcouch@gmail.com: i'm pretty sure year-old and years-old is how it's spelled out
me: in the sense of a five-year-old, you use hyphens
me: not in the sense of when he was eight years old
evilevilcouch@gmail.com: no
evilevilcouch@gmail.com: oh well nevermind
me: trust me, I've been editing copy since I was a teenager; even a lot of writers don't know the nuances of English punctuation
evilevilcouch@gmail.com: that's fine and all, but i just felt that there were certain phrases that could have been different
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: also
evilevilcouch@gmail.com: that could be interpreted into differences in style
me: there always are
evilevilcouch@gmail.com: so it doesn't matter, i guess
me: but this was the version agreed upon by Penley, myself, Mano, and some others
evilevilcouch@gmail.com: it's just that there were some really complex phrases and it could've been simplified a bit
me: that's fine
evilevilcouch@gmail.com: btw
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: Failed Rorschach
i'm packing my shit and am super sad you are not coming with me
i hate your boyfriend. i wish you'd stayed home and baked cookies instead of meeting him whatever night it was
me: is that the guy who was having you up to NYC?
me: doesn't he live there?
evilevilcouch@gmail.com: no
evilevilcouch@gmail.com: he goes to school at stanford
evilevilcouch@gmail.com: that isn't ed
evilevilcouch@gmail.com: that's rafael
evilevilcouch@gmail.com: rafael's finishing his MBA/JD
me: that's what I mean
me: I think
evilevilcouch@gmail.com: stanford is in san francisco
me: I wish you had baked cookies and brought them to the bar
evilevilcouch@gmail.com: hahahahahahahahaha
evilevilcouch@gmail.com: whatever
evilevilcouch@gmail.com: ass
evilevilcouch@gmail.com: :-p
evilevilcouch@gmail.com: it's rly cold at the gallery

evilevilcouch@gmail.com: btw
evilevilcouch@gmail.com: i guess it's a bit random
evilevilcouch@gmail.com: but it's funny
evilevilcouch@gmail.com: cause like
evilevilcouch@gmail.com: in a manner
evilevilcouch@gmail.com: your arrogance and everything associated with forming it and whatever related toward it
evilevilcouch@gmail.com: is bscly like the basis for what usually irks me
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: it's also what i admire most about you
evilevilcouch@gmail.com: er
evilevilcouch@gmail.com: like
evilevilcouch@gmail.com: i'm super planny and perfectionistic and plan and organize and schedule, etc
evilevilcouch@gmail.com: i'm exceptionally detail-oriented, moreso than everyone i know and have met, i think
evilevilcouch@gmail.com: i pick up on more details than whomever i've worked with
evilevilcouch@gmail.com: and it's funny how people may admire that about me
evilevilcouch@gmail.com: my perception and ability to see/notice all those things
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: it keeps me from following through sometimes
evilevilcouch@gmail.com: and just the overall "getting shit done" bit
evilevilcouch@gmail.com: people find it admirable, yet it also deters
evilevilcouch@gmail.com: anyway
me: I understand
evilevilcouch@gmail.com: lol
me: I think I do, anyway
evilevilcouch@gmail.com: hehe :-p
me: Daily Kos is fucking useless
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: oh?
evilevilcouch@gmail.com: how so?
me: fucking dipshits never upvote anything important
me: mostly just stupid rants
evilevilcouch@gmail.com: lol
me: god damnit, forgot to put Jonathan Farley on the press release
me: he's going to be upset
me: I'll fix it and send out another round
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: hey you could prob talk to my brother
evilevilcouch@gmail.com: about things
evilevilcouch@gmail.com: i dunno if he'd have anything relevant for the rally

evilevilcouch@gmail.com: but he did write that book
evilevilcouch@gmail.com: which is relevant to your interests, in a manner
me: what was the title again?
me: I guess forward him the press release and ask if he's interested in being involved
evilevilcouch@gmail.com: america, fascism, and god: sermons from a heretical preacher
me: ah, yes
me: I wanted to meet him at some point anyway
me: think I was really drunk when you told me about him so only remember vague stuff
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: http://www.chelseagreen.com/bookstore/item/america_fascism_and_god:paperback/interview
evilevilcouch@gmail.com: skim that, i guess
me: VERY WELL
me: LET THEM HAVE THEIR CAKE
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: wut
me: Eddie Izzard
me: you need to see his stand-up
evilevilcouch@gmail.com: i have
me: ah
me: then you need to see more of it
evilevilcouch@gmail.com: i've seen most
me: not repeatedly
evilevilcouch@gmail.com: Duncan Stanley GOON
is this racist? http://sphotos.ak.fbcdn.net/hphotos-ak-snc4/hs1359.snc4/163170_128100027256864_100001706033298_204529_3667629_n.jpg
me: lol
evilevilcouch@gmail.com: oh neat
evilevilcouch@gmail.com: patti smith reviewed david's book
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: http://www.amazon.com/America-Fascism-God-Heretical-Preacher/dp/1931498938
me: lol
me: Penley knows her
me: maybe she'll attend
me: wish we had a noise allowance
evilevilcouch@gmail.com: also, random bit --
evilevilcouch@gmail.com: i know i'm super verbose and go on and on at times
evilevilcouch@gmail.com: people get on me for that at times
evilevilcouch@gmail.com: but i think a lot of it is that i come from a family of academics
evilevilcouch@gmail.com: that do research
evilevilcouch@gmail.com: like omfg my half-brother scott

evilevilcouch@gmail.com: holy balls he talks for forever
evilevilcouch@gmail.com: and half-brother david
evilevilcouch@gmail.com: like
evilevilcouch@gmail.com: man
evilevilcouch@gmail.com: i tried emailing him back and forth
evilevilcouch@gmail.com: but he writes such long ass emails
evilevilcouch@gmail.com: super tl;dr shit
evilevilcouch@gmail.com: i know i'm not succinct
evilevilcouch@gmail.com: and that's why i'll never be a journalist
evilevilcouch@gmail.com: it isn't a strength of mine
evilevilcouch@gmail.com: but, again, i am thorough
evilevilcouch@gmail.com: in the research-y way
evilevilcouch@gmail.com: btw
evilevilcouch@gmail.com: re: ching chong cat pic
evilevilcouch@gmail.com: Duncan Stanley GOON
if so, why?
7:42
Nikki Loehr
i guess, if at all, it is because those aren't real words
and if anything, it's making fun of chinese languages, as well as chinese names
it simply showcases western ignorance of eastern culture
7:45
Duncan Stanley GOON
but the cat is cute
so how can it be racist?
7:47
Nikki Loehr
the cat is cute
the words are ignorant
7:47
Duncan Stanley GOON
therefore, not racist
7:47
Nikki Loehr
eh
7:47
Duncan Stanley GOON
because how can a cat be racist?
7:47
Nikki Loehr
depends on your definitions of racism and ignorance
they coincide

7:47
Duncan Stanley GOON
well, I think for this exercise we can consider them the same
could the cat be ignorant of eastern culture? possiblty
7:49
Nikki Loehr
the cat came before the overlaid text
7:50
Duncan Stanley GOON
well I think the picture is implying the cat is saying those words
I think the cat saying those words implies that it wasn't raised well
but that it doesn't actually hate chinese people
i think that's the takeaway from that picture
7:55
Nikki Loehr
lol
thx
evilevilcouch@gmail.com: oh, duncan
evilevilcouch@gmail.com: such a goony goon
me: yep
evilevilcouch@gmail.com: ha
evilevilcouch@gmail.com: Nikki Loehr
lol
thx
7:57
Duncan Stanley GOON
well I wouldn't want to you to think the cat was a bigot
evilevilcouch@gmail.com: narfs
evilevilcouch@gmail.com: i wanna cuddle with you in your bed rinnow :(
evilevilcouch@gmail.com: lol it's cold here
evilevilcouch@gmail.com: i don't want to work
me: got a one-man mutiny
me: just forwarded you the exchange
me: Todd Essig, columnist for Psychology Today
me: doesn't like Wikileaks
me: I think I did a pretty good job of pwning him, though
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: well
evilevilcouch@gmail.com: after reading his first reply
evilevilcouch@gmail.com: i think the best retort would have been to distinguish what exactly the publication of the specific cables released on wikileaks
evilevilcouch@gmail.com: and distinguish

evilevilcouch@gmail.com: the difference between all of that
evilevilcouch@gmail.com: and governmental bodies
evilevilcouch@gmail.com: and how it is not comparable
evilevilcouch@gmail.com: to
evilevilcouch@gmail.com: the HIPPA laws
me: yes, I'll address that if he wants to pursue it further
evilevilcouch@gmail.com: or HIPA or whatever
me: which he will
me: what are the HIPPA laws?
me: or whatever?
evilevilcouch@gmail.com: basically
evilevilcouch@gmail.com: it's about patient confidentiality
evilevilcouch@gmail.com: and privacy
evilevilcouch@gmail.com: so
evilevilcouch@gmail.com: if he is a psychologist
evilevilcouch@gmail.com: or psychiatrist
evilevilcouch@gmail.com: or whatever
evilevilcouch@gmail.com: like
evilevilcouch@gmail.com: the medical industries
evilevilcouch@gmail.com: and such
evilevilcouch@gmail.com: http://en.wikipedia.org/wiki/Health_Insurance_Portability_and_Accountability_Act
me: gotcha
me: I should explain the difference between releasing government info and releasing medical info
me: for one, Wikileaks doesn't do the latter and never will
evilevilcouch@gmail.com: yeah
me: that's something he should probably consider
evilevilcouch@gmail.com: i haven't read your thing yet, again
evilevilcouch@gmail.com: but from all that i've gathered from his thing
evilevilcouch@gmail.com: it's mainly afraid of how privacy will evolve in society
evilevilcouch@gmail.com: and how that will be handled
me: that's understandable
evilevilcouch@gmail.com: because privacy is very much necessary for the medical industry
me: and is a reasonable concern
evilevilcouch@gmail.com: so that's just the perspective he has
me: I'm more concerned with how privacy has actually been handled by our governments in such a way as to kill and take away rights
me: perhaps Eisler or someone will explain that position to him
me: I love having Eisler on hand
me: "Well, why don't you talk to our CIA guy about this issue."
me: heh

me: Now Charles Johnson knows that I've recruited some of his active longtime commenters
me: But doesn't know which ones
me: And he's going to be inclined, to put it mildly, to try to figure it out
me: I'm gonna go have a beer at the ol' Quarter
me: haven't been there in hours
me: wonder if it's changed much?
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: chris is here
me: tell him hello
evilevilcouch@gmail.com: kk
evilevilcouch@gmail.com: he's making me look up up the shoes and the raspberries videos on youtube
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: old 70s power pop
